APPENDIX OF OPINIONS OF SHAREHOLDERS AT THE GENERAL MEETING

(Enclosed with Minutes of the 2025 General Meeting of Shareholders of EVNI dated May 8, 2025)

No.	Content of opinions of shareholders	Response of Chairperson
I	Shareholder: Northern Power Corporation	
1	Propose that the Company distribute accumulated profits from 2023 and earlier, pay to shareholders including EVNNPC shareholders	In 2024, the Company has submitted the maximum profit distribution level on undistributed profit after tax (7% has been paid, the remaining 6% will be paid in August 2025). The remaining value of 21.18 billion is the capital recovery for the invested value of the Lower Se San 2 hydropower project, calculated on the total investment of 231 billion corresponding to 40 years of operation for the 40-year BOT investment project (Retained annually 5.775 billion; 5 years is 28.8 billion; the remaining 7.7 billion will be deducted when dividends from the HLSS2 project increase in the following years). On the other hand, this retained value has been approved by the annual General Meeting of Shareholders.
2	EVNI's Executive Board continues to monitor and manage the capital contribution to Lower Se San 2 Hydropower Company Limited (HLSS2) on the basis of Cambodian law, the Shareholder Agreement and the principle of preserving the contributed capital; Monitor the production and business situation of the project, urge HLSS2 to implement the contents of the Resolution of the Board of Directors and the General Meeting of Shareholders; Coordinate with other Shareholders,	The Company always closely follows the activities of HLSS2 through the representative of EVNI's capital at HLSS2. Specifically, over the years, HLSS2 has fully distributed annual dividends from 2019 to present. The total value of dividends received reached 177% of the investment value in the project. It is expected that in 2025, HLSS2 will distribute the 2024 profit according to the 5-year plan of 20 million USD/year. The Company will continue to monitor and report to Shareholders

No.	Content of opinions of shareholders	Response of Chairperson
	urge the Lower Se San 2 Hydropower Company Limited to distribute the 2024 profit in 2025	after the HLSS2 General Meeting of Shareholders is held in June 2025.
3	Implement solutions on transferring or participating in capital contribution for unfinished hydropower projects in Cambodia and Laos and report to the Board of Directors on the plan to terminate investment projects, finalize and handle finances.	<p>- Regarding project transfer or investment capital contribution: The Company has made efforts to find partners but so far has not had any results and has encountered many difficulties due to (i) Projects' MOUs have expired; (ii) It' difficult to attract domestic investors due to the geographical location of the project; (iii) The political situation, the impact of the project on the environment;...</p> <p>- Regarding the project termination, financial settlement and settlement:</p> <p>+ Since 2013, the search for partners to transfer the project or contribute investment capital similar to the Lower Se San 2 project has not had results and encountered many difficulties, so the group of representatives of EVNGENCO1's capital at EVNI has submitted to the owner for guidance as a basis for submitting to the Board of Directors for consideration and approval to submit to the General Meeting of Shareholders the policy of terminating the project's investment activities to carry out financial settlement. Currently, EVN has given opinions on the authority to terminate the project's investment activities of the projects.</p> <p>+ The Executive Board will submit to the Board of Directors a financial settlement plan after the owner has given instructions</p>

No.	Content of opinions of shareholders	Response of Chairperson
		to the EVNGENCO1's representative at EVNI.
4	<p>Propose to overcome the shortcomings in the inspection reports (if any).</p> <p>Continue to implement and propose solutions to overcome the shortcomings in the highlighted section on the 2024 financial statements on the item "unfinished basic construction costs" with the total actual investment value of the projects as of December 31, 2024 being VND 40,266,466,926. Propose that the Board of Directors and the Executive Board of the Company continue to have a plan to find partners to develop the SeKong, Nam Mo 1 and Ha Se San 1/5 hydropower projects</p>	<p>- In 2024, EVNI did not have any problems in the inspection reports.</p> <p>- Regarding the continued implementation and proposed solutions to overcome the problems in the highlighted section of the 2024 Financial Statements on the item "unfinished basic construction costs": The Company has been implementing and will continue to implement the solutions as stated in Section B1 1.2 of the 2024 Business Performance Report and 2025 Plan; and the content has been answered in Section 3 above.</p>
5	Propose that EVNI's Board of Directors take measures to strengthen inspection and closely monitor all aspects of the Company's operations to maximize the efficiency of shareholders' investment capital and ensure financial safety and transparency of operations in accordance with regulations.	<p>EVNI's Board of Directors has been doing well of inspecting and closely monitoring all aspects of the Company's operations. In recent years, the Company has always operated profitably through annual profit distribution of over 10%. In response to shareholders' opinions, the Board of Directors will further strengthen the inspection and closely monitor all aspects of the Company's operations to maximize the efficiency of shareholders' investment capital and ensure financial safety and transparency of operations in accordance with regulations.</p>
6	Strengthen the search for consulting and supervision contracts, expand new areas of operation suitable to the unit's capabilities to effectively exploit and use experienced human resources, optimize the remaining areas of the Company's headquarters,	- Regarding supervision consultancy: The Company has been doing well in searching for supervision consultancy contracts. Specifically, in 2024, the Company won 07 packages of supervision consultancy with a total value of 17.29 billion VND

No.	Content of opinions of shareholders	Response of Chairperson
	strengthen the review and collection of debts of consulting and supervision contracts to ensure balance, optimize cash flow for the Company, optimize profits to achieve production and business results according to the plan set out in the 2025 Shareholders' Meeting.	(before VAT), exceeding the plan. - Regarding debts: In 2024, the Company actively worked and urged Investors to pay debts and recovered 10.93 billion VND. To date, the outstanding debt receivable is 5.9 billion VND (of which the debt retained at 5% according to the Contract is 1.4 billion VND)
7	Implement solutions to improve production efficiency, maximize cost savings in production, business and investment, strive to complete and exceed the 2025 plan.	In 2024, the Company effectively implemented solutions to improve production and business efficiency and maximize operating cost savings: saving VND 515 million, equivalent to 4.4% compared to the 2024 plan and equivalent to 10.1% of costs (excluding salaries, allowances and other salary-related items, contributions to employees according to regulations). In 2025, the Company will continue to implement solutions to improve production efficiency, maximize cost savings in production, business and investment, striving to complete and exceed the 2025 plan.
8	EVNI continues to coordinate with the Central Power Corporation and consulting units to carry out capital transfer under EVN's direction.	The Company has been and will coordinate well with EVNCPC and consulting units to carry out capital transfer under EVN's direction.
9	The Company is requested to fully and seriously comply with regulations and obligations to the State, accounting standards, and proper accounting. Collect and pay budget and insurance fully and in accordance with regulations. Complete the 2025 profit plan, preserve and develop equity.	- The Company has been complying well, fully and seriously with regulations and obligations to the State, accounting standards, and accounting in accordance with the regime. Collecting and paying budget and insurance fully and in accordance with regulations.

No.	Content of opinions of shareholders	Response of Chairperson
		<p>- Regarding the 2025 plan: The Company will strive to exceed the 2025 profit plan, preserve and develop equity.</p>
10	<p>The company's revenue and profit plan for 2025 is lower than the target for 2024.</p>	<p>Revenue and profit in 2025 will decrease compared to 2024 due to the following reasons:</p> <ul style="list-style-type: none"> - Revenue from Lower Se San 2 Hydropower Project decreased by 14.04 billion: expected dividends received from Lower Se San 2 Hydropower Project are in line with the 5-year plan of Lower Se San 2 Hydropower Company. - Financial revenue decreased by 2.89 billion: The company paid interim dividends for 2024 (7%) in December 2024, so the deposit balance at the beginning of 2025 decreased compared to 2024 (decreased by 20 billion VND).
II	Shareholder: PetroVietnam Power Coporation	
1	<p>Propose that the Company promptly develops a plan to completely handle unfinished investments such as Lower Se San 1/5, Sekong and Nam Mo according to the investment cooperation transfer plan similar to the Lower Se San 2 hydropower project.</p>	<p>Similar to section I.3 above</p>
